## TECHNO GRUNTS

**www.limathreefive.com**

LIMATHREEFIVE.COM is Our Website. I goofed in #78 on the address (net). Richard Hoffman is in a serious mood to make our Lima 3/5 Vietnam website . . . the BEST COMPANY Website on the Vietnam history planet. If you measured Richard in effort and excellence . . . he stands 10 feet tall.

He still does golf at a lower elevation . . . but, with the same investment of time and purpose . . . I'm thinking Tiger in a different body with a different stroke . . . but NOBODY does Lima 3/5 better! Richard Hoffman is the thirsty sponge of Lima 3/5 History . . . feed the website fire when you can . . . It's just all about us . . . no better platform than that . . . it's just all about us and what we do to make this unique military fraternity a better thing to enjoy as we share . . . thoughts, photos, ideas and the groundswell of Archives that will have and will acquire . . . all to end up at the:

Marine Corps Heritage Foundation

**New Phone For LIMA 3/5 and HANK – (706) 745-8614**

### Kudos to Fred Smith

Kudos to Fred Smith in June '06 . . . his donation of FEDEX delivery of our Lima 3/5 Archives from Florida to California and back was . . . HUGE!!! A Lima 3/5 Marine helping Lima 3/5 Marines enjoy . . . Semper Fi.

### Steve Cobb went back to Vietnam

Steve Cobb went back to Vietnam in March . . . photos and stories come June . . . I will be the first in line for that! The Boomerang will be coming full circle! His visit was a 'working' effort, not a tourist tour. His party helps the local villagers with education and basic need skills . . . never heard of that before. Details June soon.
