## INTRODUCTION

After hours and hours of research on the Internet, my own personal experience, and conversations with other members of the battalion, I have compiled the following information on the Marines/Corpsman of 3/5 that died in Vietnam. This list also contains several Marines that were attached to 3/5 at the time of their death. They are listed by company in chronological order by incident dates. Some Marines that were once members of 3/5 but had been transferred to other units are also included. Some Marines had been assigned to more than one company within 3/5. I tried to list them under the company to which they were assigned at the time of death.

I know that there will be errors. I often found conflicting information on the Internet but I tried to go by what I thought was most reliable.

The first casualties from 3/5 were Pfc Louis Cabrera from L Co. and Pfc Terry Buckler from H & S Co. They were killed on June 18, 1966. Pfc Buckler may have been attached to 3/5 from the 1<sup>st</sup> Shore Party Bn.

The last casualty was Cpl Bruce Christensen from I Co. on February 9, 1971.

I have identified 752 casualties from 3/5.

If you find an error or omission, I would like for you to notify me at [gregorycarl47@gmail.com](mailto:gregorycarl47@gmail.com) or 615-888-6205.

Semper Fi,

Carl Gregory
